Dear Parents

We are very pleased to welcome your children next monday in our new intensive class in the Lindenschule at Cölbe.

Your children will have 4 hours of lessons every day, starting at 8:00 a.m. until 11:30 a.m.

Mr. Sergej Gutwin will be the teacher of your children.

Next Monday (April 4th, 2022), we all meet at the schoolyard where Mr. Gutwin will welcome your children. During the week the children will get a list of things they need. If possible, your children should bring a pencil case on Monday. In the case, you don't not have pencils yet, we can help you out with pens from our school.

In the first week, the children should get familiar with the daily routine, the new school, friends and teachers.

Then, starting at Friday, April 8th,

Easter holidays begin

and classes will end on this day at 10.45 a.m.

The first day of school after the holidays will Monday, 25th of April.

For reaching and leaving the school, please use public transportation, which are free for you!

Please be aware that Corona infection is still around (very high incidence) and that we should protect each other as much as possible. We therefore developed some hygiene rules:

- All children will be tested in the school for Corona infection three times a week.
- Everyone has to wear a mask (nose and mouth) while moving in the school.
- However, we recommend to wear the masks also during the lessons.

With best regards,

Karin Steinhoff
